#1 Seven Ghost War

This holy order that has come into being consists of three people:
Haruto, The Son of a Christian Church
Mutsuki, The Daughter of a Shinto Shrine
Kazumi. The Son of a Buddhist Temple

Ahh! I hate it!!!
Today I'm definitely turning in my Letter of Resignation to that indignant occult-freak of a chairman!!!
The HOLY Student Council!

Asahina-kun, This time, you, who has great courage, gave me the President's seat
Though, it's windy I won't
It's all good I'll treat and take you with me on my 10 day trip to Australia this summer break
Now, now, President Calm down
...because my family is in the church!
And maybe because it was the family circumstance
And the only reason I was given the title of President over break is_
That's so
You can meet a Koala

Chair-man! What was that!?
Was that a soul photo!?
No, well to that extent...
Who knows!
Today again lots of school ghosts are contributing to the mysterious phenomenons inside the school!
For the soke of supporting o better school life, let's work hord!!
Yes. That,
is the Holy Student Council's duty.
um!
Chair-man!
By the way, Where's my beloved Son of a Buddhist Temple? I haven't seen him
GRRR! MEOAAW...

Resignation

TURN!!
Ka... Kazumi -kun!?
Ohh!?
...eek!?
crunch!

And so S East High's famous animal-medium boy has appeared
This is good!

Asahina -kun!

Try and exorcise him!!
Why on earth should I do that?

The physical condition of a medium isn't just something you can fix
Asahina-kun! In addition to Australia, I'll add Hong Kong to your trip!!
REALLY!?
Just get me one good shot of Kazumi possessed
OK OK!
Swish!
Evil Spirits Be Gone!

Resignation

AHHH!
I still can't leave!
He really is an slippery ghost isn't he?
He's gone.
Ehh, he didn't cave in...?
There's no hope with all this screwing around, huh?
Saying such a thing...
... Huh!?
Who... Who's there!?
Shock!
Ka... Kazumi... -kun!?
...I am...
...the first Holy Student Council President...
EEHHH!!!
Hyuoooo'o
*Wind blowing

Among the school ghosts residing in this S East High
There are seven that I've let into this Holy Student Council...
Wha Wh-Wh-What business do you have with us?
As people of the same sentiments, I'll tell you something good
GR-AB!
Eii!!
It's really, really, good. So listen veeeerrrry closely...
Ye... YES!!
Hoo

Anyway, for the time being, my part will be to hand this over...
Uh, why should we collect the badges?
The badges attached to their chests are evidence of the council
Collect those seven badges...
All of..
YOUR WISHES WILL BE GRANTED...!!
GRAB!
Are you serious!?
Like a summer house in Karuizawa?* Things like that?
Even withdrawing from the holy student council !?

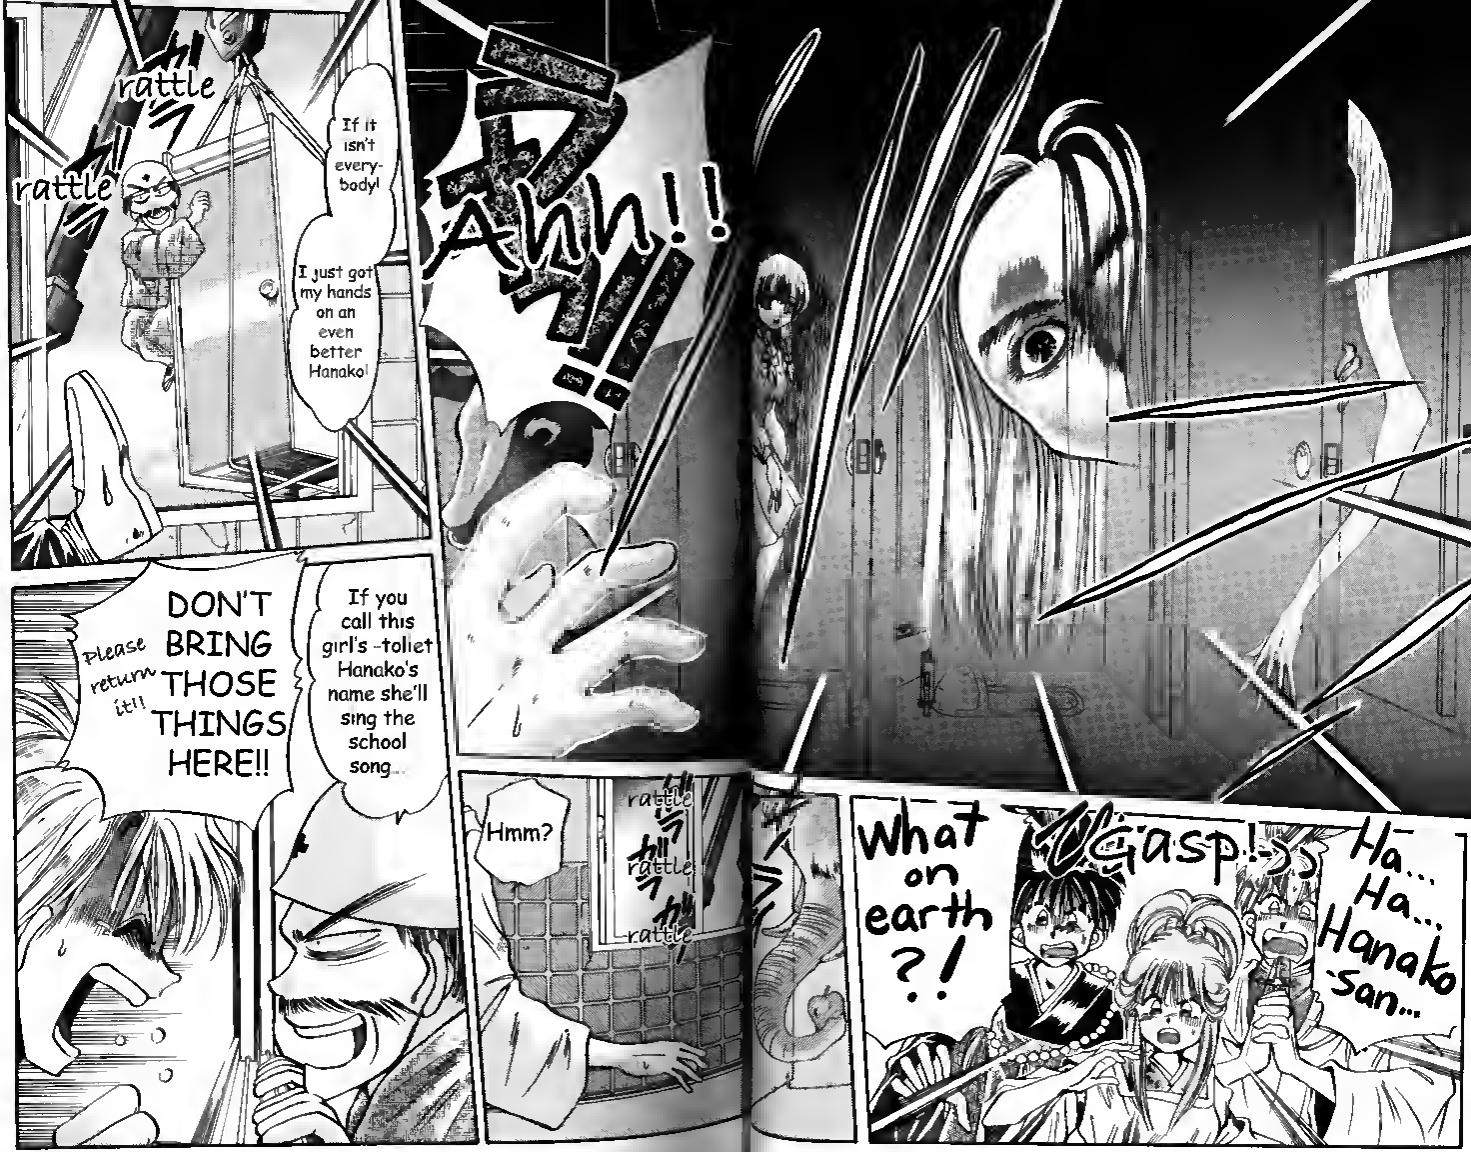
*Karuizawa is an upscale mountain resort in the Nagano Prefecture

AH!!
Darn it!
I'm me again!
Bam!!!
Alright!!
A nude photo collection of Takaoka Saki!!!*
*An actress
Rumble Rumble Rumble Rumble
But, but how are we going to find them inside such a big school?
Anyhow we just have to collect the seven badges!
It's all good!
Hu Hu Hu
Ob... Objective?
There are seven badges in all.
Doesn't the number "Seven" give you a clue?
That's our objective

That's right
The S East High Seven Great Wonders are suspicious!
These Mystery Spots...
...are where we need to look!
Now!
Let's look for those badges!
TO THE SEVEN GREAT WONDERS!

Stomp Stomp Stomp Stomp
"Toliet Hanako -san!!!"
Her student notebook is really amazing to have that
First up, is the first spot!
One might say that it's the school ghosts princess
Oh?
I know a bit about Hanako!
Bam!
Okay! Just leave this one up to me!
Hmm? And I also get the feeling that she wasn't wearing our school uniform
They say if you call out her name three times from the second stall on the left in the West girls bathroom on the North school building's third floor
...a cyu~ute girl with braids will respond...
It's depressing that you know so much about it Kazumi-kun

That's weird
It's different from what I heard
Who hasn't gone?
No! But now no one's peeped inside yet!
Ahh, well For now, we'll try for practice
Huh?
GIRL'S RESTROOM
The story was that if you call out her name from the second door on the right a white arm will reach out, but
.....EH?
Y~E~S?
HA-NA-KO-SAN!!



rattle
rattle
If it isn't everybody!
I just got my hands on an even better Hanako!
Ahh!!
Ha... Ha... Hanako-san...
Gasp!
What on earth?!
Hmm?
rattle
rattle
rattle
DON'T BRING THOSE THINGS HERE!!
Please return it!!
If you call this girl's -toilet Hanako's name she'll sing the school song...

Looks like she's at some other toilet
Anyway you look at it, the badge isn't here
Now which one is the right one?
JUST DON'T DO IT!!!
Don't be unreasonable, I got it to
IDI-OTS
Who would wish for something like that?
That's because it's part of my wish
You sure know a lot about it
You say that, but there isn't another girl's restroom
wait!
Hanako-san might not necessarily be inside of a girl's restroom...
Three years ago the Dicipline Community set up a "Do Not Use" sign
Do Not Use
I've always gotten the feeling that there was something in the first floor men's room on the right interior stall end...

ITAZAKO-SAN
SLAM!
Boy's Restroom
PAST!
Could it be...!
Ah!
DO YOU WANT TO PLAY!!!

A... Aka-Mantle Kamen...?
An unrivaled lovely young man whose beauty is said to tempt women
His voice is said to even make a janitor's aunt pass out with a fever for three days!
Wha What a bad temperament...
Ahh! Hanako sen-tan?
However, he almost never shows himself in front of men.

*AkaMantle Kamen = Red Mantle Mask

*Okoma - Male Crossdresser

Would you like a red mantle?
Or would you prefer a blue mantle?
GLIS~EN!!

Pat Pat
-Ah What?
Any man over the age of twelve
....is the same as potatoes and squash to me!
Ehh!?
A master SHOTA-CON?

*Loli-con is short for Lolita Complex. A lolita complex is where one finds young girls around 12 and under attractive.
A Shota-con/Shota Complex is the same, only it's young boys 12 and under.

SLAM!
Ho! Ho! Ho!
It's the male version of a Loli-con.*
...what's a shota-con?
I only like pretty young boys.
Thirty Legs are a no-go!!

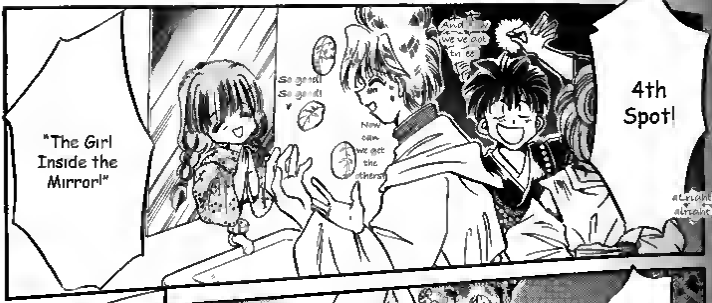
Piece of cake!
3rd Spot!



*Ninomiya Sontoku was a famous 19th Century agriculturist, philosopher, moralist and economist. There are statues of him at many schools because he went from poverty to landowner-ship due to hard work.

Go! Kazumi!

School Ghost Whatever Handbook

Part 1

~ Toilet Hanako-san ~

He~llo! Hanako san here ♡

Here, I'm going to show off some famous School Ghost Stories. Today we're talking about Toilet Hanako-san.

If you want to summon those like me, you need to knock on the door and spin three times in front of it and make sure everyone calls "Hanako-san, Shall we play?" together

That's right, that's right! And if you do that you can see our attire. We have lovely faces and wear red clothes that are for girls about ten. But you know, the upper body is the only part that's a kid

There's a large number of people in various places. And out of the "Hanako sans" there are even some scary children however, basically they just want to play together with everyone

Let's be good friends, okay?
